

## Affiliate Information Form

With the approach of the 2006-2007 seasonal soccer year, the Maryland State Youth Soccer Association must update its records. Each affiliate organization (whether or not there have been changes) is required to complete and return this form with the information pertaining to positions applicable to your organization. For additional or expanded information, please use an additional sheet.

**Please note that we are requesting emails.** E-mail has become the most frequent form of communication between MSYSA and its members. Having email addresses for your officers and directors will greatly improve MSYSA's means of communication with its affiliates.
