Dear Club, Business or Community Group:

The Maryland State Youth Soccer Association (MSYSA) has selected the bearer of this letter to participate in the Maryland Olympic Development Program (ODP). This is a tremendous honor for the player and their family.

The Olympic Development Program was established as a method to identify and train talented soccer players for the next level. The player presenting this letter was selected for the Maryland ODP through a statewide tryout process and represents the top soccer players in Maryland in their age group.

As you can imagine, the program fees are costly to the player and their family. While in some situations, minimal assistance is available, the remainder must be borne by the family of the player. I am asking for your support for this player to help defray the cost of the program. Participation in the Olympic Development Program is a major step in their development as a player and young adult.

Please be as generous as you can and remember that we are a non-profit organization and all donations are tax deductible. Make checks payable to MSYSA and complete the enclosed form. You will receive a letter of appreciation from me and/or the player within two/three weeks of receipt.

On behalf of the player, family and MSYSA, thank you for your help. If you have any questions, please do not hesitate to contact me.

Sincerely,

Carmen Juliano, ODP Program Administrator  
Maryland State Youth Soccer Association
