A Team Official must then sign the match report form, acknowledging the score and information regarding any cards issued during the match. Objections to the information on the match report must be made to a Cup Official prior to signing the form and within thirty (30) minutes of the conclusion of the Cup match. If a team fails to sign the match report form without lodging a timely objection with a Cup Official, the match report will stand as being accurate. Completed match report forms are to be turned in to the Field Marshal, the **home** team's team official, who is responsible for delivering the match reports to either the Age Group Coordinator or to site headquarters immediately following the match.

**First and Second Round Matches:** The Field Marshal is responsible for delivering the match reports for both teams together with the copies of the teams' rosters to the Age Group Coordinator or site headquarters immediately after the match. In the event that a team's volunteers do not fulfill their responsibilities, the team performance bond will be forfeited and an additional performance bond of \$500 will be required prior to the team's next scheduled match. Failure to submit an additional performance bond will result in disqualification from Cup play.

Any unusual circumstances will be considered if they are presented in writing to the Cup Director ([mdstatecup@msysa.org](mailto:mdstatecup@msysa.org)) and Coordinators ([cupschedules@msysa.org](mailto:cupschedules@msysa.org); [girlscup@msysa.org](mailto:girlscup@msysa.org)) prior the season starting, stating the specific or unusual circumstance during the entire period of Cup play.
