

Summer Soccer Academy

2020 Welcome Packet

Thank you for selecting the MSYSA Summer Soccer Academy for your summer camp experience this year!

The mission of the MSYSA Summer Soccer Academy is to provide training that focuses on the four pillars of the game (technical skills, tactical skills, physical and psychological) to those players who not only love the game of soccer, but wish to enhance their abilities and commitment to the sport. MSYSA is committed to providing each attending player with an outstanding camp experience.

Our coaching staff is comprised of ODP coaches. All of our coaches are licensed and experienced. They understand the developmental needs of our players and promote a positive and proactive approach to training based on each player's age, skill and developmental level. Having fun, while learning and making new friends, are primary components to the Academy's overall mission of player development. We will also have a certified Athletic Trainer at each session to manage any injuries that might occur.

Please review the information contained in this document and don't hesitate to reach out with any questions. I look forward to meeting each of you at the camp this Summer in Hagerstown!

Yours in soccer,

Gandalf French

Summer Soccer Academy

The 2020 MSYSA Summer Soccer Academy will be held at the Saint James School (17641 College Rd, Hagerstown, MD 21740). Saint James School is not only beautiful - it is also safe and secure. The residential halls, auditorium, dining hall, gymnasium, and athletic facilities are perfect for our summer soccer academy with only a short walking distance between facilities.

Check in information:

Please bring each of the following items to the camp check in on Sunday.

- ***Medication administration authorization form.***

This form is [linked here](#) and must be filled out for EACH medication that your player will be bringing to the camp and handed in at check in. Please note that this form is only valid if signed by a medical professional. Our camp follows the COMAR (MD law) regulations for a *self administration of medication*. This means that your player is responsible for taking their medication under the supervision of a non-medically trained adult. All medication (except emergency self-carry) will be stored in a safe location by an adult staff member. Emergency medication that requires self-carry (epi-pens, inhalers, etc.) is also approved but must still have a form filed at check in for each medication.

- ***Check for room damage.***

All campers need to provide a check in the amount of \$50 at check in. This will be returned at the end of camp when you return the room condition form signed by a parent.
