

United Clubs League

MISSION:

To support clubs by providing meaningful competition with limited travel at a competitive price

VISION:

An inclusive, club-driven league that further grows the game and transforms the lives of all who participate

ABOUT:

The United Clubs League (UCL) brings together clubs from in and around Maryland and DC that are committed to providing a positive, competitive, and development-focused soccer environment. Leveraging the innate efficiencies of the Maryland State Youth Soccer Association (MSYSA), UCL is backed by numerous departments comprised of dozens of professionals working to provide an unmatched level of service, marketing, and overall experience at the most competitive price point available in the landscape. If you have not done so already, then please join the UCL today and be part of a growing community of players, coaches, and families working together to support player development, foster a love for the game, and create meaningful competition!
